

U.S.S.N. 09/038,894
STOUGHTON *et al.*
Preliminary Amendment

REMARKS

Any fees that may be due in connection with filing this paper, or during the entire pendency of this application, may be charged to Deposit Account No. 08-1641.

Claims 1 through 39 are presently pending. Claim 17 is amended to replace "disorder" with the phrase "disease or condition" to restore proper antecedent basis. Similarly, claim 20 is amended to add the word "inhibitor" to restore proper antecedent basis.

The dependency of claims 30, 31, 35 and 36 are amended to insure proper claim dependency. Cancellation of claim 37 is requested because it is an identical duplicate of claim 28.

The amendments to the specification correct obvious spelling and typographical errors. No new matter has been added.

Entry of this amendment and examination of the application are respectfully requested.
